

TERMINATION OF TRUST TERRITORY OF THE PACIFIC
ISLANDS

For termination of Trust Territory of the Pacific Islands, see note set out preceding section 1681 of Title 48, Territories and Insular Possessions.

§ 1632. Market expansion research

(a) The Secretary of Agriculture, using available funds, shall increase and intensify research programs conducted by or for the Department of Agriculture that are directed at developing technology to overcome barriers to expanded sales of United States agricultural commodities and the products thereof in domestic and foreign markets, including research programs for the development of procedures to meet plant quarantine requirements and improvement in the transportation and handling of perishable agricultural commodities.

(b)(1) The Secretary of Agriculture shall conduct a research and development program to formulate new uses for farm and forest products. Such program shall include, but not be limited to, research and development of industrial, new, and value-added products.

(2) To the extent practicable, the Secretary of Agriculture shall carry out the program authorized in this subsection with colleges and universities, private industry, and Federal and State entities through a combination of grants, cooperative agreements, contracts, and interagency agreements.

(3)(A) There are authorized to be appropriated such sums as are necessary to carry out the program authorized under this subsection.

(B) In addition, the Secretary may use funds appropriated or made available to the Secretary under provisions of law other than subparagraph (A) to carry out such program.

(C) To the extent requests are made for matching funds under such program, the total amount of funds used by the Secretary to carry out the program under this subsection may not be less than \$10,000,000 for each of the fiscal years ending September 30, 1986, through September 30, 1990.

(4) Funds appropriated under subparagraph (A) or made available under subparagraph (B) may be transferred among appropriation accounts to carry out the purposes of the program authorized under this subsection.

(5) Notwithstanding any other provision of law, the Federal share of the cost of each research or development project funded under this subsection may not exceed 50 percent of the cost of such project.

§ 1641. Availability of wheat for export; utilization of funds and facilities; prices; authorization of appropriations

The President is authorized, acting through the Commodity Credit Corporation, to make available or cause to be made available, notwithstanding the provisions of any other law, such quantities of wheat and wheat-flour and at such prices as are necessary to exercise the rights, obtain the benefits, and fulfill the obligations of the United States under the International Wheat Agreement of 1949 signed by Australia, Canada, France, the United States, Uruguay, and certain wheat importing countries, along with the agreements signed by the United States and certain other countries revising and renewing such agreement of 1949 for periods through July 31, 1965 (hereinafter collectively called the "International Wheat Agreement"). Nothing in this chapter shall be construed to preclude the Secretary of Agriculture, in carrying out programs to encourage the exportation of agricultural commodities and products thereof pursuant to section 612c of this title, from utilizing funds available for such programs in such manner as, either separately or jointly with the Commodity Credit Corporation, to exercise the rights, obtain the benefits, and fulfill all or any part of the obligations of the United States under the International Wheat Agreement or to preclude the Commodity Credit Corporation in otherwise carrying out wheat and wheat-flour export programs as authorized by law. Nothing contained in this chapter shall limit the duty of the Commodity Credit Corporation to the maximum extent practicable consistent with the fulfillment of the Corporation's purposes and the effective and efficient conduct of its business to utilize the usual and customary channels, facilities, and arrangements of trade and commerce in making available or causing to be made available wheat and wheat-flour under this chapter. The pricing provisions of section 1510(e)¹ of title 22 and section 713a-9 of title 15, shall not be applicable to domestic wheat and wheat-flour supplied to countries which are parties to the International Wheat Agreement and credited to their guaranteed purchases thereunder on and after August 1, 1949, and up to and including June 30, 1950. Where prices in excess of the International Wheat Agreement prices have been paid for such wheat and wheat-flour financed by the Eco-
